**NOTICE OF DRAFT PERMITS FOR
INTERMOUNTAIN POWER SERVICE CORPORATION
CLASS IIIb LANDFILLS**

Intermountain Power Service Corporation is requesting permit renewals to operate two Class IIIb Industrial landfills at the Intermountain Generating Facility located approximately 10 miles north of Delta in Millard County. The Class IIIb Combustion By-Products landfill accepts fly ash, bottom ash, economizer rejects, pulverized rejects, and flue gas desulfurization such as scrubber sludge coal combustion by-products and flue gas emission control wastes as outlined in their permit and permit application. The Class IIIb Sanitary landfill accepts non-hazardous industrial waste, common refuse; operation wastes such as, but not limited to, rock, concrete, plaster (and board), cardboard, other paper products, and old rags; and special wastes such as, but not limited to, bulky items of wood and metal, empty drums, dead animals, and asbestos generated at the Intermountain Generating Facility as described in their permit and permit application. The permit application has been reviewed by the Utah Division of Solid and Hazardous Waste, and a draft permit has been prepared. The *Utah Solid Waste Permitting and Management Rules* provide for a public comment period to receive comments on the application and the draft permit prior to final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board.

The public comment period for the application and draft permit will commence on October 12, 2006 and end on November 13, 2006. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).

Copies of the application, draft permit, and all related documents will be available for public review during the comment period during normal business hours at the following two locations:

Delta City Library
76 North 200 West
Delta, Utah

Division of Solid and Hazardous Waste
288 North 1460 West, 4TH Floor
Salt Lake City, Utah

For the public's convenience, an unofficial copy of the application and the draft permit are available on the Internet at www.hazardouswaste.utah.gov

Written comments will be accepted until 5:00 p.m. on November 13, 2006 and should be mailed to the address below or hand delivered to the Division at the address above:

Dennis R. Downs, Executive Secretary
Division of Solid and Hazardous Waste
PO Box 144880
Salt Lake City, Utah 84114 - 4880

Comments may also be sent by electronic mail to: swpublic@utah.gov. Comments sent in electronic format must be received by 5:00 p.m. November 13, 2006 and should be identified by putting the following in the subject line: "Comments on Intermountain Power Service Corporation Class IIIb Landfills." For further information, contact Matt Sullivan or Ralph Bohn, Division of Solid and Hazardous Waste, 801-538-6170. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids & services) should contact the Office of Human Resources, at 801-536-4413 (TDD 536-4414).
